Long meeting 1600 L^d Pres^{ts} rooms - John Foster's memo. & of bill. Sop with Frennes Pym S.G. John F is all right so far as it goes. But it does not go far enough, and his draft bill gives the game away. With the nec^y for affirmative resⁿ in case grade S.I wd take more part^l time than legⁿ - since each time there wd have to a debate out floor of House. Sugg^d Expedients (1) General Bill wh wd contain general power g^{vn} by S.I for nec^y consequentials (2) Secondary Bill to cover necessary parliam^t action to implement treaty (3) Sundry Committees on lines of consolidation e^{cc} grade house. (4) Postponement of some subjects till after accession. I also recommended (5) Careful draft of long titles to reduce chance of amt on Cc.
