Anthem

Let us praise our Maker, with true passion extol Him.
Let the whole creation give out another sweetness,
Nicer in our nostrils, a novel fragrance
From cleansed occasions in accord together
As one feeling fabric, all flushed and intact,
Phenomena and numbers announcing in one
Multitudinous ecumenical song
Their grand givenness of gratitude and joy,
Peacable and plural, their positive truth
An authoritative This, an unthreatened Now
When, in love and laughter, each lives itself
For, united by His Word, cognition and power,
System and Order, are a single glory,
And the pattern is complex their places safe.
