CHURCHILL COLLEGE ADMISSIONS TIMELINE – SUBJECT TO CHANGE

8 November

8 November is a very important deadline in the Churchill admissions process. By this date, there's a lot of additional information which we need from you in order to process your application. Please read the summary below very carefully and make sure you send us all the relevant materials, either in hard-copy or online, as requested.

All hard-copy materials can be sent in the same envelope to the same address:
Admissions Office, Churchill College, Storey's Way, Cambridge, CB3 0DS, UK

When you submit hard-copy materials, please do not use staples or any other form of fixed binder. Please use paperclips only. Please be aware also that all hard-copy materials are non-returnable.

RELEVANT APPLICANTS MUST SEND VERIFIED AS-LEVEL AND A-LEVEL UMS (not raw) SCORES IN HARD-COPY TO REACH US BY 8 NOVEMBER

If you have recorded any UMS (not raw) scores for AS-Level and/or A-Level modules on your SAQ or COPA, we need these scores to be verified by your school or college. To do this:

- Log into your SAQ or COPA.
- Select "Review my answers" and "Generate a printable version".
- **Please print only section "6.1 AS/A Level Units" (we do not need anything else).**
- **Write your name, subject of application, and UCAS PID clearly on each printed sheet.**
- Take these printouts to your school/college and ask a teacher or exams officer to verify your scores against the school/college's records, then sign each sheet and stamp each sheet with the school/college stamp.
- These signed and stamped sheets can then be sent to us.

RELEVANT APPLICANTS MUST SEND TEACHER-MARKED WRITTEN WORK IN HARD-COPY TO REACH US BY 8 NOVEMBER

First, check if you need to submit teacher-marked written work by reviewing www.chu.cam.ac.uk/written-work If you do, note what is required and make the appropriate submission, as instructed. As a guide, each piece of submitted work should be approximately 1500 to 2000 words in length, though we understand that some submissions may be shorter (if work was sat under timed conditions, for example). Please send one copy of each piece of teacher-marked work, unfolded, with a separate cover sheet (www.chu.cam.ac.uk/written-work-cover) for each. Note that your cover sheets must be verified and stamped by a school or college representative.

All submitted work must be written in English, except where specified on www.chu.cam.ac.uk/written-work Other than these exceptions, if your work was not originally written in English, you should supply one copy of the original and one copy translated by you into English, with a separate cover sheet (www.chu.cam.ac.uk/written-work-cover) for each. Again, please be aware that your cover sheets must be verified and stamped by a school or college representative – in this instance, these sheets will be read as verification that your English translation is accurate.

ALL MEDICINE (NOT VETERINARY) APPLICANTS MUST SEND A FEE STATUS ASSESSMENT QUESTIONNAIRE IN HARD-COPY TO REACH US BY 8 NOVEMBER

www.chu.cam.ac.uk/fee-status

APPLICANTS TO CHEMICAL ENGINEERING VIA NATURAL SCIENCES MUST COMPLETE OUR ONLINE NATURAL SCIENCES QUESTIONNAIRE BY 8 NOVEMBER

CHURCHILL COLLEGE ADMISSIONS TIMELINE – SUBJECT TO CHANGE

Overseas interviewees

Please note that Churchill applicants who are interviewed overseas will not receive the outcome of their applications until 14 January 2019. However, overseas interviewees are still required to complete other aspects of our Admissions process.

As instructed on the previous pages, overseas interviewees must submit verified AS-Level and A-Level UMS (not raw) scores (if appropriate), teacher-marked written work (if appropriate), and a Fee Status Assessment Questionnaire (Medicine applicants only). We need all of these by 8 November.

All overseas interviewees must also complete any necessary admissions assessments, even if these are sat after interview – see www.cam.ac.uk/assessment

All overseas interviewees in Natural Sciences and Chemical Engineering via Natural Sciences (not via Engineering) must complete our Natural Sciences questionnaire by 8 November – see previous pages for more details.

Finally, please note that if you have not previously requested an overseas interview on your COPA, you cannot request one at this stage.
