When you have completed Section A of this form, you should take it to your Tutor to discuss your application. If you are a home student, you should attach a copy of the SLC "Financial Assessment" for the current year (and previous years if relevant).

Your Tutor may need to ask you additional questions, for example about whether your funding organisation has been approached for assistance, and also about whether or not you family is in a position to contribute, if your hardship has resulted from the failure of some form of family obligation.

Your Tutor will then need to complete Section B of this form, giving an opinion about the gravity and urgency of your request.
SECTION B: (to be completed by the applicant’s Tutor)
