

## EXTENSION TASK: CLIMATE CHANGE COMIC BOOK

Draw a comic book storyboard. Imagine you need to explain to a pupil in another class the reason you chose to stay or go. Remember, they won't be an expert in this like you are now!

Remember to include: **where** you are, **who** you are, **what** life is like, and **what** new challenges you've faced. Explain did you **stay or go**, and **why**?
