Island Name: _____

Group Name: _____

Let's see how cool this island is!

Circle the smiley face for how awesome it is:

How green is the energy? solar power, wind power, or something else?

How are you getting around the island? bikes, skateboards, electric buses, or something else?

What food will you grow? Where will you plant it?

HOPEFUL CLIMATE FUTURES

What houses will you build? think about using sustainable building materials!

How will you save water?

Are there cool places to hang out? community gardens, sports fields, or something else?

What's the BEST thing about the island?

If you could change ONE thing to make it even better, what would it be?
