

Receptions at Churchill College

Churchill College is set in 42 acres of parkland and has several areas suitable for receptions, both indoor and outdoor, so holding a reception before dinner or as a one-off celebration couldn't be easier.

We have a wide range of drinks you can choose from and we would be happy to quote for a bespoke arrangement that you may be considering. All drinks are to be pre-ordered and would be charged on consumption or per head. Please browse our wine list for the full range of wines.

The fully-licensed Buttery bar can be available during your reception and we are happy to discuss arrangements for a mobile bar if required out on one of our lawns.
